Dear Dr. Bodnar,

I present my compliments and would like to ask you for assistance in solving of the following issue.

As the Ukrainian Parliament Commissioner for Human Rights, I conduct parliamentary control over the observance of constitutional human and citizens' rights and freedoms, including Ukrainian citizens abroad.

According to the received information, the deceased 36-year-old citizen of Ukraine Mr. Vasyl Chernei (Василь Черней) was found in a forest near Wagrowiec city, Poland. Suspected of his death is a Polish citizen who was an employer of a victim and probably an illegally employed Ukrainian citizen.

In view of the above mentioned, I appeal to you to find out the causes and circumstances of this tragedy as well as the issue of observance of the labor legislation on the employment of Mr. Vasyl Chernei.

Whereas the problem of the protection of the rights of migrant workers, in particular the employment and Labor Law, medical examination and trainings of workers, social insurance and observance of technical safety rules are of special urgency, I propose to work out a mechanism of joint actions to prevent such violations. At present, the Commissioner's Secretariat is working on a draft document on the protection of the rights of migrant workers, which will be sent to you in the near future for further harmonization and elaboration.

I express my hope for your urgent response to this letter and look forward to our fruitful cooperation in the field of human rights protection.

Availing myself of this opportunity, I would like to renew to you the assurances of my highest consideration.

Sincerely,

Liudmyla Denisova
