Your Excellency,

it is with deep sympathy, that I learned about the tragic terrorist attacks that occurred on 22nd May in Manchester. The more embittered we are and we share your pain since today Polish Ministry of Foreign Affairs confirmed that among victims were two Polish citizens and one was severely injured. I lack the words to express my grief linked to this tragedy.

I would like to offer you my sincere condolences and assure you, that my thoughts are with you, your nation and especially with the families of those who suffered painful loses in those tragic circumstances.

Please one again accept my sincere solidarity in these difficult moments.

With the assurances of my highest consideration
